

THIRTY-30

Modern Concrete Products LLC (MCP), an integral part of Assarain Group of Companies, has very quickly moved towards its customers and made a place in the hearts of its customers. The entire Sohar and Al Batinah region is visiting MCP every now and then to choose impressive designs from its bouquet of various design patterns. This is because the customers want to be different from the age-old design types available in the market and want to use the Assarain products from MCP because of the proven quality, consistent finishes and dimensional accuracy of its products.

To bring new style and character to your driveways, gardens, beach fronts, etc. with interlocking paving tiles from MCP, Thirty-30 presents a robust, strong and a loud presence when laid in various patterns.

Thirty-30 design is one of the most versatile designs and especially, the black and grey "chess pattern" design is catching fire among the hearts of the customers thronging MCP. MCP's pledge to quality and by using only the highest grade raw material, it makes the product one of the most durable and exciting among many others. Thirty-30 design is quick and easy to lay, cost effective and simple to maintain, thereby giving you all the inspiration and choices you need to create a stunning landscape that enhances your way of living for years to come. Various areas where this design can be laid are as follows:
