

TWENTY-20

Assarain Concrete Products & Trading LLC (ACP) invests significant time to bring many innovative designs to its customers. As a market leader in the pavement and construction industry, ACP has always been leading from the front and setting trends in the market. Accordingly, ACP dedicates its new tile "Twenty-20" as one of the most versatile designs to its valued customers.

"Twenty-20" has the inherent capability of developing into a major pattern due to its flexibility in various permutations and combinations in colours and laying of tiles. Thus "Twenty-20" emerges as a very strong alternative for anyone looking for a unique design. This unique tile combination offers a kaleidoscope of various designs leading to aesthetic pavements, home fronts or paving of open areas.

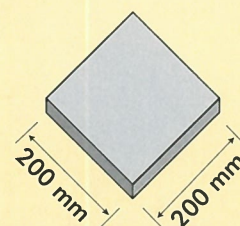

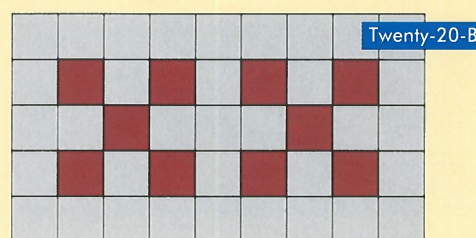

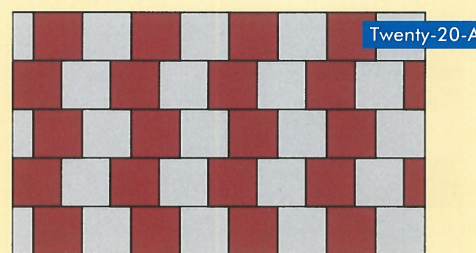

"Twenty-20" has been particularly very well liked in its "chess pattern" design and this can be developed in various sizes and colours thereby giving breathtaking view of large expanses.

The application areas are many, some of which are as below:

- Roads – Side and central pavements & walkways
- Parks, Amusement Centres, Public Sit-outs, etc
- Villas and roof sit-outs
- Souqs, Hypermarkets, Theatres, Hotels & Restaurant outdoors, etc.
- Port areas, Beach areas, Corniches
- Airports
- Cargo complexes
- Storage depots and industrial areas
- Warehouses
- Bridge deck sides
- Container depots
- Parking areas
- Mosques, Exhibition grounds
- Workshops
- Abattoirs
- Filling stations, etc.
- Other external hard landscaping areas

Only quality inorganic colour pigments and natural aggregates are used. Minor variation in colour and texture may occur. This is normal and does not constitute reason for complaint.
